Stay Healthy on Election Day

Here are some tips to stay safe while voting in-person:

Before voting day
★ Research your polling station to see what health and safety measures they are using.
★ Many states offer early in-person voting. Vote early to avoid crowds on election day.
★ Know your jurisdiction's ballot to minimize your time voting.

On voting day
★ Wear your mask
★ Stay 6ft from others
★ Don’t shake hands
★ Cover your cough
★ Wash your hands afterwards
★ Minimize your time indoors
★ Vote
